

Frequently Asked Questions

Q. What is the RegTech Directory?

A. The Directory is market-wide survey of all RegTech solutions, organized by category type.

Q. Who can submit, and what if my company has multiple RegTech solutions?

A. Submission is easy, on-line, confidential and open to all providers – from start-ups to multinationals - companies with multiple solutions enter one for each product.

Q. I have a solution that fits into multiple categories - can it be listed in the directory in multiple categories?

A. Yes, we will allow large products/solutions to list in multiple categories in the directory. However the product can only be put forward for a spotlight award in a single category.

Q: What are the benefits of being in the directory and is there a cost?

A: The directory is free to list and your product and company will be exposed to our global community of over 10,000 buyers.

Q. When does it start, end and how do we know if I have been successful?

A. The submission process is from 1st – 25th August, and our Editorial team will keep up to date on your progress. Each valid product/solution will be added to the Directory.

Q. What are “The Spotlight Awards”?

A. Firms can also take part in our “Spotlight Awards” – submitting their solution to be judged by an industry panel of experts, who will invite the best providers in each category to participate in our virtual Demo Week.

Q. What is the virtual Demo Week?

A. Selected firms will be offered to take part in ‘Demo Week’ for that category – a fun, fast 10-minute on-line pitch presentation and demo of your product to a judging panel.

Q. So what do I do?

A. it’s easy to get started – fill in the on-line form, and good luck!
